.....

WHAT IS NEVERLAND GOING TO BE LIKE?

volcanoes? Forests, fields, flowers?
Buildings and roads? People? Animals?
Peter Pan says there are 'suns, moons, more than earth'
Can you draw in the suns and planets above?

TRY TO INCLUDE:

- An underground den
- A mysterious river
- Captain Hook and a pirate ship
- A lagoon (secret lake)
- Some Lost Boys and pirates
- Tiger Lily and her wolves
- A crocodile

DRAW, COLOUR, STICK

Until this empty island is filled with
pictures from your imagination
