

THE DATING ASSIGNMENT

HERE ARE THE RULES:

- 1** Ask **IN-PERSON**
No text messages. No Facebook. No Snapchat. No Instagram.
Face to face. Eye to eye. IRL.
- 2** Within **THREE DAYS**
Waiting longer creates unnecessary anxiety, invites drama, and sets the stage for unsolicited (or worse, solicited) opinions and advice.
- 3** A Romantic **INTEREST**
Pick someone that catches your eye. A romantic interest.
Think possible, not soulmate.
- 4** Somebody **NEW**
This should not be a date with a person whom you've dated before.
- 5** Be **OPEN & HONEST**
Avoid the dreaded "acci-date."
While you do not have to use the word "date," make sure you're clear this is a date.
- 6** Only **45-90 MINS**
Leave 'em wanting more--and give yourself a hard out if you don't find yourself wanting more.
- 7** Make **A PLAN**
No "So...what do you want to do?" Take initiative to plan the date. Show you respect their time.
- 8** You **ASK**, You **PAY**
Make it clear: This person is worth the money--and you're worth the investment, too.
- 9** But **ONLY \$10**
You're not a spendthrift, but, geez, you're not royalty, either.
Unless you are. Then still \$10.
- 10** No **TOUCHY**
How far is too far? An "A-frame" hug at the end of the date is far enough.
- 11** Tell **THREE PEOPLE**
Cold feet happen, but it's less likely if you've got support. Only three teammates, though; TMZ is everywhere!
- 12** Go **ALONE**
You've got support, but for the love of Pete, no wingman, best friend, or group dates.
